Fireworks for 'Fun on the 4th'

SPONTANEOUS CELEBRATION PLANNED IN REDWOOD CITY TUESDAY

Conceived Monday afternoon and with plans worked out overnight, a big Fourth of July celebration was on tap for Redwood City today.

As a result, those who want whoopee and plenty of it will have to go no further next Tuesday than downtown Broadway, according to Charles Holt, general chairman and originator of the event.

There will be a picnic, however, for those who desire such things, at Flood Park, the county's new recreation center just south of Redwood City which will be dedicated on July 4 in an event staged by the North Fair Oaks and Friendly Acres Improvement Clubs.

'STIRRING EVENTS'

But a general good time, with "stirring events" and "thousands of prizes," including seven automobiles, all of which are guaranteed to run, will be had in Redwood City, beginning at 1:30 p.m. and lasting "as long as anyone can stand up," the chairman promises.

Sponsor is the Redwood City Chamber of Commerce, with a committee composed of Holt, Recreation Director Alfred Morton,

Ole Oleson and William M. (Bill) Werder in charge.

Titled "Fun on the Fourth," the big event, according to Holt, will have as its purpose, the "taking of all dead wood out of Redwood City."

7 AUTOS AS PRIZES

Holt said that the "seven beautiful automobiles" have been "presented patriotically" by Oleson & Son, Towne Motor Co., West Bay Motors Inc., Dearborn Motor Sales, Davies Auto Co., Paquin Motor Co. and Cuddy Motor Co. All will have new paint; will run, and will be worthwhile prizes.

Events listed by the chairman as already planned include:

1. A greased pig contest—"a stirring, mirth-provoking event."
2. A greased pole climbing contest—"requires practice and skill; Denny McGuire and all P. G. & E. linemen barred."
3. Tug of war—possibly between the Lions and Exchange Clubs.
4. A water fight—Volunteer Veteran Firemen and active firemen will be asked to stage this event.
5. A jitterbug contest—with one of the automobiles as first prize.
6. A "ladies egg race."
7. A "pleasingly plump" ladies' race.
8. Boys' and girls' races.
9. Sack races.
10. A feature race (15 yards) between Police Chief C. L. Collins, Sheriff James J. McGrath and Dep. Sheriff Louis Lodi.
11. Bingo games.
12. Ladies' old-fashioned bathing beauty contest.
13. Country store, with a wheel of fortune.
14. Bicycle races.

15. Dancing in the new courthouse as guests of County Manager Frederick Peterson.

16. Watermelon and pie-eating contests.

17. A musical contest for amateur musicians.

18. A Lady Godiva contest.

NON-ORGANIZED BAND

Explained the dynamic Holt:

"All musicians are asked to notify Ole Oleson at Redwood 456, who will lead a non-organized orchestra and band. No practicing please! Many valuable and worthwhile prizes will be given for this contest."

"Mrs. Margaret Chapman, assisted by Mrs. Annabelle Hallett, will hold an elimination contest for all those desiring to enter the Lady Godiva ride. For this there will be a most useful prize."

"For this event, a very beautiful bit of crowd-bait has been selected, not from the stables of the Menlo Circus Club, but from those of Dan Wood. She is being well polished and groomed for the trying ride (we mean the horse, not the ladies)."

FIREWORKS PLANNED

"Mendelssohn's Spring Song will be danced by the girls of the tax collector's office, headed by 'Pansy' McSweeney."

"There will be day fireworks and night fireworks."

"All funds raised, if any, will go to the City Parks and Recreation Commission for the development of playgrounds in our fair city."

"The committee will welcome any suggestions for good clean fun. Call 'Red' Morton at 456."

Drunken Driving Charge Admitted

William A. Mahood, charged with drunk driving resulting in injury, a felony, pleaded guilty in superior court this week and asked probation. Decision on his plea will be brought in July 17.

George Secker, charged with drunken driving with two prior convictions, pleaded not guilty and waived jury trial. His case was continued until July 3 to be set.

Joseph Robles, charged with the theft of an automobile, pleaded not guilty and his trial was set for June 29.

Many Stores Plan To Be Closed Monday

In addition to city and county offices, banks and like institutions, many Redwood City stores will remain closed Monday as well as Tuesday, July 4, it was announced here by the Redwood City Chamber of Commerce.

Manager Roscoe D. Wyatt said that through efforts of Charles H. Mitchell, local shoe merchant, a number of stores would remain closed the first two days of next week in accord with Governor Olson's proclamation for a holiday Monday.

Wyatt said the merchants, most of whom are in the dry goods, hardware and clothing businesses, had been contacted and agreed to close because of the relatively small amount of business that would be done during the holiday. Restaurants, most groceries, creameries and taverns probably will remain open, according to an

Country Club Names Board of Directors

A board of directors for Emerald Lake Country Club was elected at the annual meeting of the organization Sunday, according to an announcement made here by Secty. G. Chevassus.

Elected were Chevassus, Fredrick T. West, A. W. Green, Russell L. Wolden and W. E. Thompson. The new board will take office Sept. 15 and serve for two years.

In addition to those elected, the following members attended the meeting: W. P. Kiely, W. J. Wagner, Dr. B. C. Kingsbury, Fred N. Worth, Frank E. Ross, G. J. Asmussen, Dr. I. C. Gobar, Don Wolden, A. V. Crowley.

Earlier agreement by the Retail Merchants Division of the Chamber of Commerce, the manager said.

State Hearing Is Set On Dumbarton Signal

The California Railroad Commission has notified the board of supervisors that a hearing on the proposal to install an automatic

danger signal on the Dumbarton Branch railroad crossing at Fifth Ave., near Friendly Acres, will be held at the courthouse in Redwood City July 12 at 10 a. m.

"Don't Pay Me One Penny Until You Have Worn My Plates for 30 Days"

No Money Down

Dr. Campbell prefers that you see and wear your plates before you pay for them by using his no money down easy payment plan. Dr. Campbell has made hundreds of plates without one penny down, and finds that patients are delighted with this policy as most people like to see and wear their plates before paying. There is no extra charge for credit, same price as cash.

DUPONT DENTAL PLATE

MATERIAL... so like Nature's own gums your closest friend can't tell. Plate material developed by world-famous du Pont Laboratories NOW HERE! This beautiful, moist appearing du Pont material is odorless, tasteless... yet with all its distinctions it is made to stand the roughest use. The light weight of du Pont or "Redline" plate material (usually less than 1 ounce) makes it possible for Dr. Campbell to fashion a plate which will fill out your cheeks, so desirable for a youthful appearance.

PLATE REPAIRS

There's no need of buying a new plate when your old plate can be made to fit right and look like new. Use DR. CAMPBELL'S dental laboratory for your next plate repair.

Dr. Campbell's FINEST Most Beautiful Dental Plates...

Made in Dr. Campbell's own laboratory. Each NATURAL colored PORCELAIN tooth is set in the NATURAL gum-pink plate material as if it were growing from your own gum tissue. They are so like one's own natural, healthy teeth and gums that your closest friend would never know the difference. These plates are thin, light weight (less than one ounce) and very durable, yet they are made to stand the roughest use.

Small Home Shown Here Is Sweet One

The fruit of a clever idea which a San Jose youth is using to put himself through college was placed on display today at the Bank of America at 2100 Broadway.

The display is that of a miniature home, five feet long, 2½ feet wide, built to scale from 5000 rectangular sugar cubes. The roof is made of 4200 pieces of balsawood. Venetian blinds in the home are also made of balsawood, held together by adhesive tape. Real glass is used in the windows.

The home, painted pale green with a yellowish-green roof, is a model of a home which could be built for from \$5000 to \$7000, according to its builder, Bob Stevens, 20, University of California student in architecture, who rents the homes for display. He has now built three of them, having perfected a glue which will not dissolve the "bricks."

MENLO PARK NEWS NOTES

M. J. WELCH NEW JUDGE

MENLO PARK, June 30—Judge Martin J. Welch, who was recently appointed district judge of Northern California by President Roosevelt, was born and raised in San Jose. As a young man he learned the plumber's trade with J. H. Sullivan of Menlo Park. He studied law during his spare time and after his admission to the bar moved to Sacramento where he soon established a reputation for honesty and ability. Welch was elected mayor of the capital city and some years later was chosen a superior judge. The appointment was secured by Sen. Sheridan Downey, Atherton, who has been a friend of the new federal judge for many years at Sacramento.

F. W. Johnson, the popular road superintendent who has been confined to his home for several weeks with a severe illness, is recovering. Mr. Johnson will soon be able to resume his duties.

Plans and specifications are completed for the Mother Foley Gymnasium at St. Joseph's Parochial school. Bids will be opened in two weeks so that the structure will be finished when the school opens for the Fall term. Nearly \$8000 has been subscribed.

The ban on firecrackers established a few years ago by the city council is still in force. It seems harsh to deprive the youngsters of the use of firecrackers on July 4th that we elders enjoyed in our day. However, the loss caused and damage done by the tiny explosives

do not warrant their use.

Father J. J. Doran, who passed away in San Francisco last week, was well known in Menlo Park. Twenty-five years ago he was a teacher of English at St. Patrick's Seminary. He was a distant relative of the late Mrs. J. H. O'Keefe.

Thomas Furman, former chief of police of Menlo Park, is at O'Connor's Sanitarium at San Jose suffering from a severe illness. He has been confined there for some weeks.

Father Thomas Bergin, a former assistant pastor of the Church of the Nativity here, has been appointed pastor of the Daly City Catholic Church. For some time he had been the pastor of a church in Sonoma County. Father Bergin is considered one of the ablest pulpits orators of the diocese.

Fourth of July will find many Menloans at the Golden Gate Exposition. Others will attend the picnic given by the North Fair Oaks Improvement Club at Flood Park. This will be the formal opening of the new playground.

Miss Genevieve Storick is visiting her aunt, Mrs. M. J. McCarthy, this week. The young lady is a graduate of the Academy of the Sacred Heart. She is training at St. Mary's Hospital for a surgical nurse. Miss Storick is a pretty and talented young woman with a host of friends on the Peninsula.

On Tuesday, July 11, Menlo Park American Legion Auxiliary Unit 443 will hold a whist party in the Legion Hall on Oak Grove Ave. Score cards are 25 cents. The game will start at 8:15 p.m.

Mrs. Tillia Harris of Park Lane Ave., Atherton, gave a benefit whist party for Menlo Parlor, NDGW Wednesday afternoon. Many guests came early to enjoy

3 Alarms Answered; Damage Is Prevented

Redwood City's fire fighters had their busiest day Tuesday since the series of incendiary blazes several weeks ago. The department answered three alarms throughout the day; none of the blazes resulted in damage, according to Fire Chief Mark E. Ryan. At 8:40 a. m., one piece of equipment went to Blandford Blvd., scoured the nearby territory, but returned without locating any blaze; at 3:47 p. m., equipment went to a rubbish fire at Hawes Park, and at 6:16 p. m., the department extinguished a chimney blaze at 2101 Jefferson Ave.

American hotels annually spend \$24,000,000 in furniture maintenance.

Burlingame Market Is Hit by Complaint

Complaint against the Andrew Williams Stores branch in Burlingame, including Owner Williams and Skid Ackerman and Henry Malby, employees, was on file in superior court today by the district attorney's office, alleging advertising and sale of commodities below cost in violation of fair trade practice statutes.

The complaint was the second within a month on the same charge against the Burlingame store. This complaint alleges that sugar, eggs, butter and other commodities were advertised and sold below cost yesterday.

Dismal Picture Given to Club

Only half of the 14,250 San Mateo County youths between the ages of 15 and 24 have jobs—

And of this jobless group of more than 7000, only 170 come from families that are on relief— This was the youth unemployment picture as painted Wednesday before the Burlingame-San Mateo Kiwanis Club by Ben Culver of Atherton, State Relief Administration personnel director.

In pointing out the local difficulties for young people to get jobs, Culver said that the problem in this county is better than in most other sections of the country. There are 1,110,000 unemployed persons between the ages of 15 and 24 in California, he said, and 20,000,000 in the entire country.

Of this tremendous group, 43 per cent are located in large cities, 26 per cent in rural areas and small towns and the rest in small cities, according to Culver's statistics.

"There is no use ducking the fact that it is getting more and more difficult for young people to get jobs that will earn them a decent standard of living and give them hope for future advancement," the state official declared. Solution of the problem lies within the scope of democracy, Culver said, in setting forth the plans of the SRA for alleviation of the problem: (1) immediate moral and physical assistance for those of the unemployed young people who are in the worst straits, and (2) long-term planning to provide jobs for youth that will not take positions away from other bread earners.

"If we ignore the problem, we can not blame youth for going radical," Culver concluded.

Greatest Sales Gain In History Reported

According to an announcement by W. T. Dinkins, vice-president in charge of sales for the Richfield Oil Corp., his company, for May, enjoyed the greatest sales increase for any single month in Richfield's history.

It is estimated that during that month over 650,000 motorists of the Western states had purchased the new Hi-Octane gasoline produced in Richfield's new multimillion dollar refinery.

When asked what he thought caused this great increase, Dinkins answered, "I must give great credit to our refinery and automotive engineering staffs for creating a new motor fuel that has made possible the unprecedented claim of out-performing any other non-premium gasoline in the motorist's opinion or refunding twice the purchase price. The quality of this All-Time Hi-Octane is evidenced by the continued purchases of new customers; their comments to our dealers and the greatest number of unsolicited letters of praise that this company has ever received. We feel special credit should be attributed to the newspapers for disseminating the facts about this new gasoline."

The only pupils of the school at Alba, Calif., are the teacher's four children.

When Redwood City Dedicated Its Courthouse, Library, City Hall

Redwood City went on parade Sunday when thousands of Peninsulans gathered here for dedication of three new public buildings. Above is one section of the parade as it passed the reviewing stand on the courthouse steps, where dedication ceremonies for the new \$236,000 county building were held a few minutes later. At right is John A. Sinclair, department judge advocate of the American Legion, as he gave the dedicatory address for the new \$85,000 city library. Below is the scene as Fletcher Cutler, past grand president of the Native Sons of the Golden West, dedicated the new \$95,000 city hall. Lower photo is of Archer Kinkadee (left), member of the city's first library board, chatting with Rev. Schuyler Pratt, who attended the celebration to end the ceremonies by pronouncing the benediction despite the fact he had had an encounter with two burglars in his home the night before. Ceremony Slated When Oil Tanker Visits R. C. Port

The second important phase in the development of the Port of Redwood City will be fittingly honored Saturday, July 15, when the first oil tanker visits the local port, according to plans being laid today by the Board of Port Commissioners, Port Manager Walter F. Murphy, and the Standard Oil Co., which is sending the tanker here to deliver petroleum products at its new storage depot located at the harbor.

The oil firm's station is rapidly nearing completion, with erection of tanks almost finished.

Some type of observance will be held and a scroll commemorating the occasion will be presented to the master of the tanker, as was one given to the master of the steamer Redwood when it docked

R. C. Circularization By P. A. Stores Hit

At a meeting Tuesday afternoon, the Retail Merchants Division of the Redwood City Chamber of Commerce decided to address a communication to the merchants' section of the Palo Alto Chamber of Commerce urging stores there to cease using complete distribution mediums in Redwood City to promote their stores, pointing out that such a procedure violates the spirit if not the letter of Redwood City's anti-handbill ordinance.

'Missing' Youngster Sees Search for Self

Fear that a 12-year-old had been drowned in Searsville Lake Sunday afternoon caused two inhalators from the Redwood City Fire Department to be rushed to the lake, but firemen learned upon arrival that the "victim" merely strayed off and was playing at another end of the lake.

Asst. Fire Chief Joseph Lodi said his department received a call from the sheriff's office that the boy was believed drowned, and that guards were diving in an effort to locate his body.

The youngster, noticing all the excitement, wandered back to the scene of the incident, much to the relief of all.

Homes Threatened In Noon-Time Fire

Hampered by fences, rocks and obstructions, the county fire department worked desperately using two trucks for 20 minutes shortly after noon Wednesday before bringing under control a grass fire near Alameda de las Pulgas at the end of Whipple Ave.

The flames spread over four acres before being halted. Wind swept the fire toward several homes in Acacia Lane and facing on the Alameda, but no damage occurred.

One of the trucks blew a tire when a wheel rolled over a piece of scrap-iron. Driver was John Bonner.

Clarence Walter Of Atherton Quits Post on Council

ATHERTON, June 28.—Clarence R. Walter, Atherton councilman and a member of the city's official family since the formation of the municipality in 1923, submitted his resignation yesterday as a member of the board.

The resignation was formally accepted and a resolution of appreciation of service rendered the town "for many years" was ordered drawn up.

Named to take Mr. Walter's place was John F. Brooke Jr., resident here for a number of years and engaged in the investment business in San Francisco.

Mr. Brooke was appointed a member of the building commission and to represent the council on the city planning commission. Councilman Charles H. Merrill was the vacancy caused when Mr. Walter resigned his post.

Free Clinic Moves To County Cottage

Removal of the San Mateo County Health and Welfare Department to its new quarters in the courthouse, formerly occupied by the assessor's office, will not take place for a month, but the department's clinic, now at 851 Main St., will be moved to the cottage on the courthouse grounds by next week.

That announcement was made by James Packwood, assistant to Dr. C. C. Gans, chief of the health office now on vacation, as he revealed that Wednesday's clinic was to be the last in the Main St. office.

Clinic sessions are held weekly, and next Wednesday the department will handle cases in the small building to the rear of the courthouse which is the former home of the service division.

Probably the greatest time span between two important cities is that between New York and Hongkong; at 12 noon in New York it is 37 minutes past midnight in Hongkong.

BELMONT, June 27.—An \$18,000 budget for the fiscal year, 1939-40, was adopted last night by the Belmont City Council.

A complaint by Frank O'Brien of an offensive odor from nearby flower gardens is to be investigated as soon as possible by John Fickelheim, county sanitary inspector. O'Brien told the council the odor was caused by unsanitary conditions and not fertilizer, as had been the cause of foul odors on previous occasions.

City Clerk Catherine Heartsner was instructed to write the San Carlos City Council informing it that Belmont City Council was in favor of holding a joint meeting to study the proposed Junipero Serra Blvd. project which will affect residents in both towns.

An ordinance setting up a 30-foot setback for rights-of-way along Bayshore Hwy. for future road construction, was passed.

If all American hotel corridors were placed end to end they would reach from New York to San Francisco and several hundred miles into the Pacific.

Isabel Garcia Wins Lions' Second Place

Miss Isabel Garcia, Sequoia High School student who represented the Menlo Park Lions Club in an oratorical contest at Long Beach last weekend, placed second in the state event, Lions club members returning from the convention reported here.

Topic for the talks was "Democracy." She won a 12-inch "gold-tone" trophy inscribed: "Second award, California-Nevada Lions Student Speakers Contest, 1939."

Miss Garcia, one of 570 California students to enter the contest, placed only three points behind the state winner, George Garvey of Glendale placed first.

The Lions chose San Jose as 1940 convention city and named district governors including Thomas S. Neilson of Berkeley for this district. M. R. Ward of Huntington Park was elected chairman of the board of governors.

In attendance were L. L. Johnson, John Frenzel, Al Giannotti and Mr. and Mrs. J. W. Ryan of the Menlo Park club.

Mrs. Lily McIlvain Of Woodside Dies

Following a long period of ill health, Mrs. Lily K. McIlvain, wife of Walter K. McIlvain, operator of the Woodside Bus, passed away at Middlefield Hospital, Redwood City.

Mrs. McIlvain, who was 42, was well-known in the Woodside community despite the fact she had lived there less than two years. She had taken part in Girl Scout and Parent-Teacher Association work, having been elected June 1 to serve her second term as corresponding secretary for the Woodside P.T.A. She was leader of the Girl Scout troop committee. She leaves two children, Wilda May and Dickie June; her father, Peter M. Petersen; three sisters, Mrs. Myrtle Rader of San Francisco, Mrs. Rose Waltz of Minnetonka and Mrs. Viola Schroeder of Fredonia, Wis., and a brother, Clarence Tobin of Portland, Ore. Before moving to Woodside, Mrs. McIlvain lived in Stockton, where she belonged to the American Legion Auxiliary, Stockton unit.

Cupid Wins Again

Many marriage ceremonies have taken place on Treasure Island. But never one so beautiful as the ceremony which will take place in the alluring Mission Trails building, one of the California Commission group at the Golden Gate International Exposition, on Friday afternoon, June 30.

Pictured are the prospective bride and groom. They were caught by the photographer during a wedding rehearsal in the court of the Mission Trails building. They are Velma Barnett and Walter Guthrie, both members of the cast of the Cavalcade of the Golden West Show on Treasure Island.

The wedding setting will be entirely Spanish. The entire cast of the show, attired in colorful Spanish costumes, will attend the ceremony.

Joy in Ranks of Junior Mariners! Use of Motor Ship Is Given Boys

V. F. World's Fair
To End December 2

SAN FRANCISCO, June 29 (P)—Rumors the Golden Gate International Exposition would continue a second year were dispelled by President Leland Cutler, who declared plans to end the fair Dec. 2 would be carried through.

Cutler said in a statement: "The board of management and myself want to make it clear, officially, that the exposition will end on Dec. 2, 1939, as planned."

Only blind or partially blind persons may be masseurs in Japan. The restriction is based on the theory that persons with good eyesight can do more difficult work.

New Recruits Are Sought

Joy reigned in the ranks of Redwood City's Junior Mariners today, for they have a new boat. Not a very big boat; not as big as a boat as they'd like; but a boat that will enable Capt. L. F. Bosshardt to resume training of youngsters for careers on the sea.

Captain Bosshardt announced that Victor H. Hansen, proprietor of the Penguin Bait and Tackle Shop at Burlingame, had given the mariners his 31-foot motor ship "Penguin" to use indefinitely.

The cabin ship, powered with a 12-cylinder Pierce-Arrow marine conversion engine, has a speed of about 22 knots, considerable faster than the Meta K, 40-foot power-sailer on which Captain Bosshardt trained the 23 boys whom he has placed in gainful work.

While small, the Penguin can

be used to train youngsters for ordinary seaman posts. If and when he gets the 150-foot Louise which he hopes to have some day, Captain Bosshardt can make able seamen out of his youngsters—thereby assuring them of jobs immediately on freighters.

As a result of acquiring use of the Penguin, Captain Bosshardt said that he would begin a new class of mariners immediately. Any boy from 17 to 20 who is interested in fitting himself for a life on the sea should contact the captain at the Redwood City Yacht Harbor Clubhouse this coming Saturday or Sunday after 9 a. m.

Instruction is free, Captain Bosshardt, a Standard Oil Co. employee, conducting the class as a hobby in his spare time. Classes will be held on Tuesday and Thursday nights at the Yacht Harbor.

Chief requirements for admission are that a boy be finished with school; come from a family that can not afford to send him

Robbery Suspect's Case Is Dismissed

Charges of attempted robbery on Skyline Blvd. near Millbrae June 15 brought against John Gums, 19, transient Ohio orchard worker, were dismissed yesterday for lack of evidence in the Burlingame court of Judge Gus B. Risso.

Gums was arrested near Sacramento June 16 on a complaint filed by T. J. Bryan, 60, who said he was given a ride by Gums in an old sedan, and then threatened with robbery.

Boys interested in enrolling in the class should bring their parents or guardians with them if possible when they see Captain Bosshardt this weekend. Classes will begin immediately afterward. Captain Bosshardt is the man who won the 1938 American Legion Community Service Award for his training of boys who otherwise might have been jobless.
